

brick short of a load
sit where guy is mad that every shipment is thus

sends kid
to yard where individual bricks (ea that short one)
are kept
and finds , of course, gaiety and chaos etc
bedlam -- scattered
how many of you are here?
we have no idea
or what time it is or season, etc
autumn Shawtum it could be July or Newport
Don't ask us, we don't know.
Who's in charge?
Let us know if you find out..
No, don't let us know.
Here, the person in charge wouldn't know either.
It's just fun here; there's no other side.
Nothing to contrast it with.
Boring?
What's boring, what does the word mean?
Too much talk! That's the only thing that's boring!
